Paris, 16th March 2017

Dear Presidents,

Dear colleagues,

Like every year, during October and November 2017, the Paris Bar organize a traineeship known as the "Stage International", intended to young French speaking foreign lawyers who want to discover our law and practice of the legal profession in France in an international environment.

In October, young lawyers selected will attend courses on the legal system, legal ethics and legal procedures in France at the "Ecole de Formation du Barreau" which trains lawyers in Paris, taught by some of highly qualified french instructors in Paris. Then, in November, they will have a practical experience in a law firm.

This year will also be held a second version of the program in English the "International program" from May 9th for 10 weeks.

These international traineeships, meeting place for lawyers who would like to compare legal practices, offers the unique opportunity to create a sustainable professional and friendly network between young lawyers from diverse backgrounds.

We would be happy to consider applications from lawyers submitted by your bar to participate in these programs, the candidate must be a member of your Bar and must satisfy the program's requirements which means being less than 40 years of age, being covered by legal liability insurance and being fluent in French for the "Stage international" or being fluent in English for the "International program".

Applications can be submitted until June 15th for the "Stage international" and until April 13th for the "International Program" (Contact: alegrand@avocatparis.org).
